When creating big books with CABB Binders®:

- Teaching and learning takes place through language-rich discussion, questioning, and expression of ideas
- Students learn by thinking as they write, read, and verbalize knowledge
- Teachers and students can model strategies for thinking and writing
- Students construct meaning with their own text and art
- Teachers appreciate this valuable instructional tool and use it as a powerful presentation medium
- Students practice collaboratively with written and oral language

From beginning writers to those with more proficient skills, students who use CABB Binders® will significantly improve in reading and writing!
